Sir,

Subject - Retirement of S Mohamed Hussein- Conservancy peon

In forwarding herewith the correspondence ending with the Health Officer's report No H F 738 dated 14th November 1941 re the above , I have the honour to state as follows -

2 S Mohamed Hussain applied for a month's leave from 19-4-1941 on Medical Certificate which was granted as the District Medical Officer certified that he wanted rest and treatment for a month In accordance with the Medical Officer's opinion, the peon was sent for reexamination after a month The District Medical officer replied that the peon may be taken on duty and light duty given to him The peon reported to duty on 23-5-1941 Again on 28-5-1941, the peon applied for three months leave and requested permission to retire from service on account of his bodily infirmity The peon is entrusted with conservancy work, He has to supervise the work of sweepers and scavengers both in the mornings and afternoons I doubt even his capacity to work even as a peon in office, no matter on a lower pay In these circumstances I granted him furlough on full pay for 3 months which he availed of from 15-8-1941

3 From the service register, it is seen that the age of the peon is 45 years and he has put in 29 years of qualifying service But he looks very much older I also find from the entries made in the register that the peon was frequently absenting on leave and on

several occasions suspended, fined-all for neglect of duty, whi could be attributed mostly to his general debility

4 In view of the above circumstances, I request that sanction of Government may kindly be obtained to the retirement of the official as he cannot be given ~~light~~ even light- work as suggested by the District Medical Officer

I have the honour to be,

Sir,

Your most obedient servant,
